

10th International Conference on Child and Adolescent Psychopathology

<http://www.roehampton.ac.uk/Research-Centres/Centre-for-Applied-Research-and-Assessment-in-Child-and-Adolescent-Wellbeing/Child-and-Adolescent-Psychopathology-Conference/>

20 - 22 July 2015 (Monday - Wednesday)

Conference Venue: Whitelands College, University of Roehampton, London

The goal of this interdisciplinary conference is to present and discuss the state-of-the-art information on various aspects of Child and Adolescent Psychopathology. The conference will be of interest to those who are doing research with young people and to those working within child and adolescent mental health, education, social work and youth justice systems.

Confirmed Keynote Speakers

Dr Graeme Fairchild (University of Southampton)

"Using a family design to study risk and resilience factors in the aetiology of Conduct Disorder"

Dr Eamon McCrory (University College London)

"Biological embedding: How childhood maltreatment gets under the skin"

Dr. Alice Gregory (Goldsmiths College, University of London)

"The genetics of sleep disorders"

Dr Paul G. Ramchandani (Imperial College London)

"Getting in early to prevent mental health problems in children"

Dr. Luci Wiggs (Oxford Brookes University)

"Management of sleep disturbance in young people"

Prof Cecilia A. Essau (University of Roehampton)

"Mental health problems across cultures: Implications for intervention"

Call for Papers and Research Symposia

Abstracts for oral and poster presentations are warmly invited on any of the following themes:

- Assessment, prevention, and treatment of child and adolescent psychopathology
- General issues (risk and protective factors, use of mental health services, different approaches to mental health services delivery)
- Cross cultural issues in child and adolescent psychopathology

For all information, contact:
